

HomeByMe Furniture and Decor Experience

Transform your customers' design and purchase journey

Let shoppers visualize your products in their homes and turn their dream rooms into reality with our end-to-end solution.

Furniture and Decor Experience **A suite of products tailored to the needs of furniture retailers**

In a Pinterest and Instagram world, consumers are used to seeking inspiration and browsing for the perfect furniture to style their homes online. They want to explore styles, materials, and finishes, and design products to fit their space, décor, and budget before committing to a purchase.

HomeByMe Furniture & Decor Experience delivers all the capabilities to support your customers' needs and guide them through the entire buying process. It allows them to explore your product catalog in exciting new ways, virtually customize their dream furniture, and see exactly how it would look in their home before clicking "buy".

Comprehensive, immersive, cloud-based

HomeByMe Furniture and Decor Experience enables true collaboration between you and your customers at every stage of the buying journey.

What we do

HomeByMe provides a **powerful suite** of interior design, product configuration, space planning, visualization, content creation, and sales operations management software, which personalizes the entire consumer buying experience.

With our **market-leading 3D space planning solutions**, businesses can introduce new ways for consumers to get inspired, evaluate their decisions, and purchase home goods. Kitchen, furniture, and DIY companies use our solutions to actively engage with consumers at every step of the purchase decision-making loop and exceed their expectations.
