

HomeByMe Bathroom Experience

Transform your customers' design and purchase journey

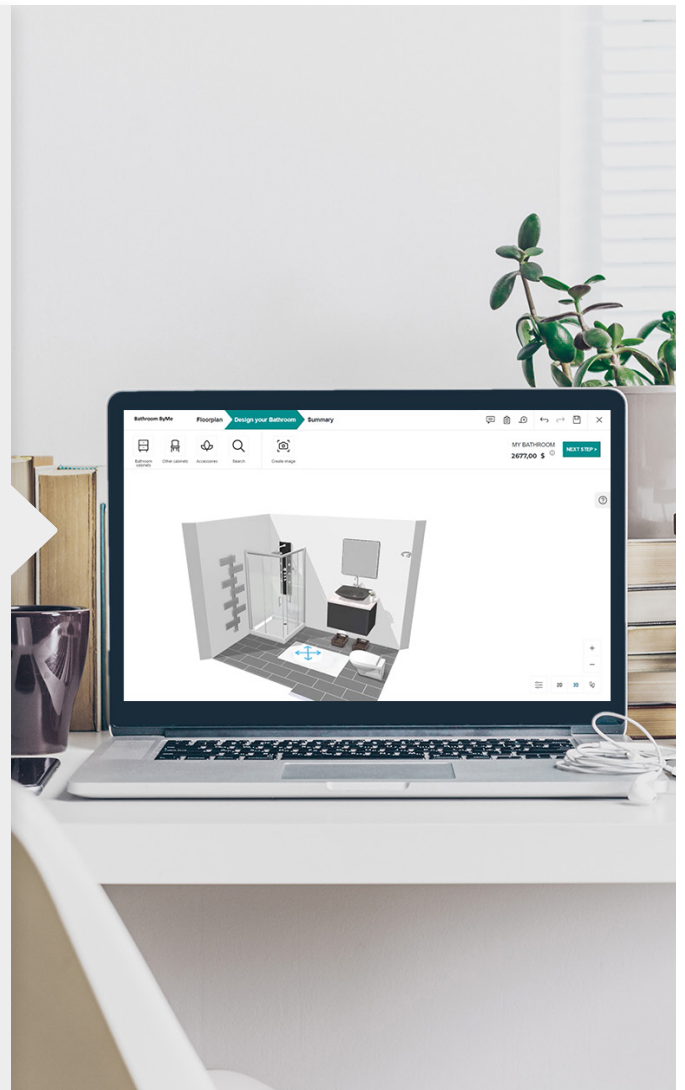

Let your shoppers turn their dream bathroom into a reality with our end-to-end solution.

Bathroom Experience

A suite of products tailored to the needs of bathroom retailers

The way consumers shop for their bathrooms is changing. Our bathroom design and retail solution delivers the personalized, convenient, and digital experience they have come to expect.

HomeByMe Bathroom Experience provides all the capabilities to guide your customers through the entire design and buying process. They can get inspired, virtually create and configure their ideal bathroom from your product catalog, and turn their ideas into stylish, error-free design proposals. Store managers can smoothly manage their sales and operations, from order to delivery.

Comprehensive, immersive, cloud-based

HomeByMe Bathroom Experience enables true collaboration between you and your customers at every stage of the buying journey.

What we do

HomeByMe provides a **powerful suite** of interior design, product configuration, space planning, visualization, content creation, and sales operations management software, which personalizes the entire consumer buying experience.

With our **market-leading 3D space planning solutions**, businesses can introduce new ways for consumers to get inspired, evaluate their decisions, and purchase home goods. Kitchen, furniture, and DIY companies use our solutions to actively engage with consumers at every step of the purchase decision-making loop and exceed their expectations.
